Charted Claims:

Method Claim: 13

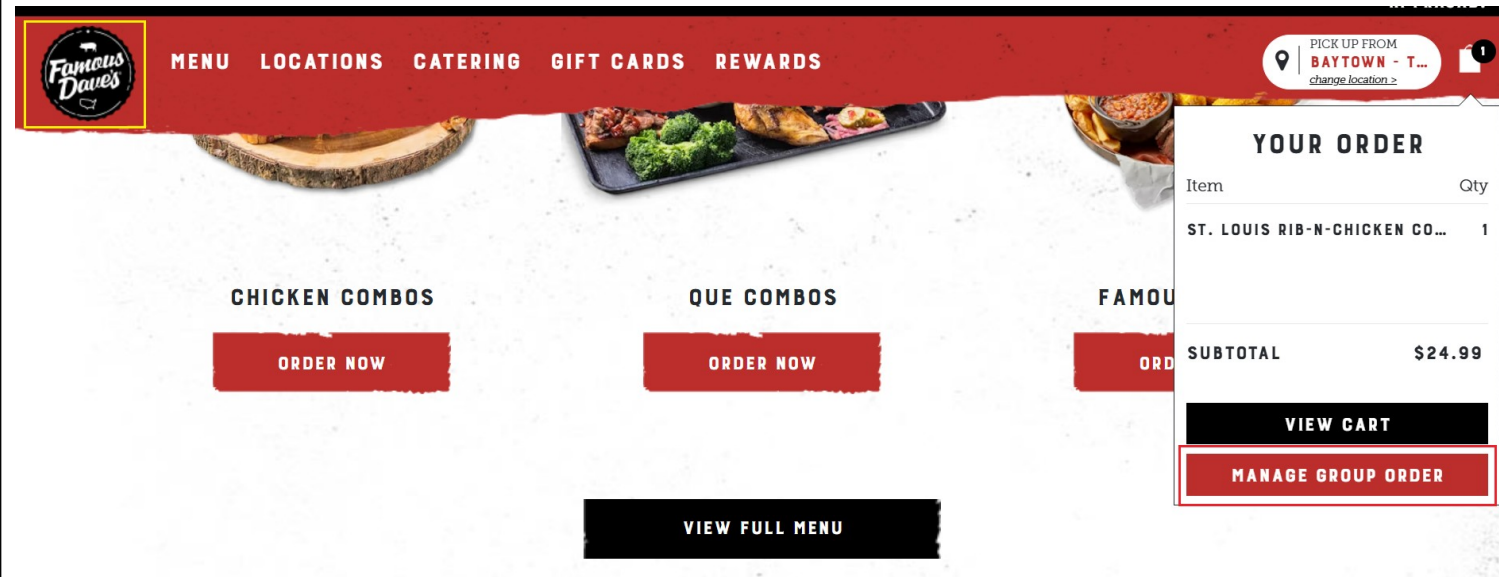

US7831475B2	Famous Dave's Website/App ("Accused Instrumentality")
<p>13. A method of ordering comprising: a first customer opening a first menu apparatus having at least one menu display, an input device, a feedback mechanism, and a payment device;</p>	<p>The accused instrumentality practices a method of ordering (e.g., group ordering) comprising: a first customer (e.g., first user using the first computer/mobile device enabled with the accused instrumentality) opening a first menu apparatus (e.g., first computer/mobile device enabled with the accused instrumentality's menu) having at least one menu display (e.g., menu displayed on the screen of the computer/mobile device enabled with the accused instrumentality), an input device (e.g., keyboard/touch screen input of the computer/mobile device enabled with the accused instrumentality), a feedback mechanism (e.g., remove, edit, proceed to checkout, etc, options), and a payment device (e.g., first computer/mobile device enabled with the accused instrumentality used as a payment device).</p> <p>As shown below, the accused instrumentality i.e., Famous Dave's Website/App practices providing a method of ordering (e.g., group ordering) by the first customer using a first computer/mobile device enabled with the accused instrumentality. The computer/mobile device enabled with the accused instrumentality comprises its menu page displayed on the screen of the device. The first user can select an item from the menu page using the keyboard of the computer device/touch screen input of the mobile device &amp; the feedback mechanism and can pay using the computer/mobile device enabled with the accused instrumentality that also acts as a payment device.</p>
